To Dr. Thomas K. Barnes  
Blessings L.L.

Dear Sir:

I have now very pleasant recollections of meeting you at the Society, some years ago, and it occurred to me that possibly you may not know of the present location of our quarters, or what we have been doing of late.

We are now occupying our own building, and our collections are several times larger than when you saw them, in the Academy of Medicine building, we have many interesting things in your own line—our volumes and decorations.

I am sure every boy, and, I presume, you too! interested in looking us over, I would be very glad to see you any time—say between eleven and half-past four o'clock.

With best regards, and hoping to have the pleasure of seeing you, I am, as before,

Very truly yours,

Robert Lind Secretary.
